

HURRICANE KATRINA RELIEF
PROJECT: **CHURCH WELCOME**

The Christian Broadcasting Network and The 700 Club are helping churches to connect displaced persons in need of housing with those churches that are willing to share housing accommodations. This is a church to church program. We are currently working with churches in Alabama, Mississippi, Louisiana, and Texas who are in contact with evacuees in need of temporary housing.

In most cases, your sponsorship may need to include transportation for these families to your city, as well as housing and food. The length of stay may vary, although a minimum requirement of three months is anticipated. The information provided in this form will help both the sending and receiving churches secure the right situations for their people and yours.

Instructions: Complete the form and submit it online or print it and fax to 757-226-6170 or mail it to Project Church Welcome, CBN Center, Virginia Beach, VA 23463.
